CAREER OBJECTIVE

Sincere and disciplined final-semester CSE student with proven analytical skills, creative problem-solving abilities, and a strong commitment to punctuality and time management. Seeking a challenging opportunity to apply technical knowledge in software development, testing or analysis while upholding professionalism and delivering impactful results.

EDUCATION

American International University-Bangladesh (AIUB)

Bachelor of Science in Computer Science & Engineering

CGPA: 3.67 / 4.00

Dhaka, Bangladesh

2023 – Present

Sohiuddin Degree College

Higher Secondary Certificate (HSC)

GPA: 5.00 / 5.00

Meherpur, Bangladesh

2019 – 2021

Meherpur Govt. High School

Secondary School Certificate (SSC)

GPA: 4.78 / 5.00

Meherpur, Bangladesh

2010 – 2018

PROJECTS

MedBridge: A Telemedicine Platform

NestJS, Next.js, TypeScript, PostgreSQL

[\[Live Link\]](#)

- Developed a full-stack web application integrating frontend and backend technologies.
- Implemented Next.js for the frontend and NestJS for the backend.
- Designed and managed a relational database using PostgreSQL.

Smart Residential Society Management System

NestJS, Next.js, TypeScript, TypeORM, PostgreSQL, Tailwind CSS

[\[GitHub\]](#)

- Developed a full-stack residential society management platform, replacing paper-based and spreadsheet workflows with a role-governed digital system.
- Built modules for residents, complaints, visitors, billing, announcements, amenities, notifications, and reports.
- Implemented JWT authentication, English and Bangla internationalisation, PDF receipt generation, and API documentation with Swagger.

Expose360

HTML, CSS, JavaScript, PHP, AJAX, JSON, MySQL

[\[GitHub\]](#)

- Developed a full-stack web application integrating frontend and backend technologies.
- Implemented dynamic data handling using AJAX and JSON.
- Designed and managed a relational database using MySQL.

SkillBridge: A Micro-Freelancing Platform

[\[GitHub\]](#)

Software Quality Testing Course Project

- Developed a micro-freelancing platform for university students as part of the **Software Quality Testing** course, with a focus on quality assurance.
- Applied Agile Scrum methodology for project management and documentation.
- Performed test case design, bug tracking, and quality reporting using Jira and Trello.
- Managed project documentation including meeting minutes, test reports, and user guides.
- Created UI/UX prototypes using Figma and managed version control with Git.

Smart Residential Society Management System

[\[GitHub\]](#)

Software Requirements Engineering Course Project

- Developed a comprehensive management system for residential societies as part of the **Software Requirements Engineering** course.
- Performed requirement elicitation, analysis, and documentation including SRS (Software Requirements Specification).
- Designed database schema and managed data using MySQL for resident records, visitor logs, and maintenance tracking.
- Created technical documentation and user manuals for system deployment.

A Micro-Freelancing Platform for University Students

[\[GitHub\]](#)

Scrum, Figma, Git, Trello, Notion

- Designed project architecture using Agile Scrum methodology.
- Created UI/UX prototypes using Figma.
- Managed tasks and version control using Git and Trello.

QuickCart

[\[GitHub\]](#)

C#, Microsoft SQL Server

- Developed a desktop-based shopping management system.
- Integrated database operations using Microsoft SQL Server.

Digital Realm Journey

[\[GitHub\]](#)

C++, GLUT

- Built an interactive graphics-based application using OpenGL Utility Toolkit.

The Shop Management System

[\[GitHub\]](#)

Oracle Database

- Designed and implemented database schema and SQL queries.

DigiTECH

[\[GitHub\]](#)

Java, Java GUI

- Developed a GUI-based Java application with event-driven programming.

TECHNICAL SKILLS

Frontend Core:	HTML5, CSS3, Tailwind CSS, JavaScript, TypeScript
Frameworks/Libraries:	React.js, Node.js, Next.js, Nest.js
Backend Languages:	Python, PHP, Java, C++, C#
QA & Testing:	Manual Testing, Test Case Design, Test Scenario Preparation, Bug Tracking (Jira, Trello), Defect Reporting, UAT Documentation, Agile, Scrum, Regression Testing, Test Execution & Reporting
Testing Tools:	Postman, Selenium WebDriver, Mocha, Chai
Version Control:	Git, GitHub
UI/UX & Design:	Figma, Canva, UI/UX Design, Web Design, Responsive Design
Databases:	MySQL, Oracle Database, Microsoft SQL Server, PostgreSQL
Other Tools:	Notion, Google Colab, Microsoft Office

LANGUAGES

Bengali: Native

English: Fluent (Reading, Writing, Speaking)

RESEARCH & ACTIVITIES

Research Project Participant

Jun-2025

4th National Research Project Contest – Bangladesh University of Professionals (BUP)

- Selected to represent AIUB at BUP's national research contest among university teams from across Bangladesh.
- Contributed to research design, data analysis, and the written essay submission; co-presented findings at the contest.

CERTIFICATIONS & WORKSHOPS

- **Full Stack SDET - Batch 19** (In Progress) – Road to Career
Comprehensive program covering manual testing, API testing, performance testing, test automation, CI/CD, and software development using SDET skills.
- **Introduction to Front End Development** (May 2026) – Online Course
Certificate code: 10188998. HTML, CSS, and modern web design principles.
- **Code to Cloud: Practical DevOps with AWS** (Apr 2026) – AIUB Computer Club & Cloudly Infotech
DevOps fundamentals, AWS cloud services, deployment workflows, and CI/CD pipelines.
- **IELTS Masterclass** (Dec 2025) – English OSA Compass & Institute of Continuing Education
English language proficiency and communication skills development.
- **The AI Literacy Workshop** (Nov 2025) – Institute for Global Cooperation Foundation
Signed by Executive Director Shama Obaed and Chairman Mahmudur Rahman.
- **How to Secure an Erasmus Mundus Scholarship** (Sep 2025)
AIUB Research & Development Club webinar.
- **From Idea to Paper: A Guided Research Writing Workshop** (Aug 2025)
AIUB Research & Development Club. Guided by Prof. Dr. S.A.M. Manzur H. Khan & Dr. Prodhan Mahbub Ibna Seraj.
- **Critical Essay Writing – 4th National Research Project Contest 2025** (Jun-Jul 2025)
Bangladesh University of Professionals (BUP) Research Society.
- **Introduction to Software Testing** (Apr 2025) – Simplilearn SkillUP
Certificate code: 10069305. Software testing methodologies, QA fundamentals, test-case design.
- **Introduction to Web Development with ChatGPT** (Apr 2025) – Simplilearn SkillUP
Certificate code: 10076924. AI-assisted development workflows and tooling.
- **IT Essentials: PC Hardware and Software** (Jun 2023) – CISCO Networking Academy
PC hardware, OS installation, and software troubleshooting fundamentals.
